EXHIBITS AND DISPLAYS POLICY

The District welcomes displays and exhibits which offer a means for public expression as well as enrichment of the library environment. The purpose of this policy is to provide fair and consistent standards for the use of exhibit areas in the library, and to ensure use of these spaces in a manner that is consistent with the library's mission.

Display areas in Chemung County Libraries include glass cases in public areas of the library as well as some designated wall space. Exhibit areas are available to the public on a first come, first served basis. Library sponsored exhibits and displays will have priority.

It is recommended that exhibit spaces be reserved far in advance when the exhibit is designed to celebrate a particular date/month, such as an organization's anniversary or a national observance. No fees are charged for display spaces. Groups using display spaces may not charge an admission fee or request donations.

A representative of the exhibiting organization must sign an Exhibit Agreement to comply with the following:

- Assume the risk of loss or damage to materials exhibited.
- Assume responsibility for installing and labeling the exhibit on the agreed upon date.
- Remove the exhibit promptly on the agreed upon date. The display period is normally one month, coinciding as closely as possible to the beginning and ending of the month.
- Give the library the right to remove exhibit materials if they aren't picked up by the agreed upon date. Exhibit materials may be disposed of if not claimed within 30 days.
- Identify the exhibitor by name within the display.
- Refrain from commercial advertisement and not post prices of items on sale.

The library does not advocate or endorse the viewpoints of exhibits and exhibitors.
